### Italian Detour

The famed Italian winemaker [Bruno De Conciliis](#) is making the rounds. Yesterday, he was the featured guest at [Delfina](#), and on Sunday he'll be honored at [Donato Enoteca](#) in Redwood City. For the event, chef Donato Scotti will be preparing a five-course meal of foods cooked in the style of Campania, the region where De Conciliis produces his outstanding wines. See for yourself just how great southern Italian wine can be. *Donato Enoteca, 1041 Middlefield Rd., Redwood City; 650-701-1000 or [donatoenoteca.com](http://donatoenoteca.com)*
